

The Centers for Disease Control is reporting numerous confirmed cases of Swine Flu in Colorado as of May 5th, 2009. Below are links to public information on the current status of the swine flu epidemic:

San Miguel County Public Health Information:

www.sanmiguelcounty.org/publichealth.html

U.S. Government Information:

www.pandemicflu.gov

Center for Disease Control:

www.cdc.gov/swineflu

San Miguel County has established an Incident Command Post at the Miramonte building next to the Courthouse in Telluride. The Emergency Management Coordinator is Jennifer Dinsmore, who may be reached at 970-596-3100.

Please make every effort to inform yourself, friends and family on how to prepare for the potential spread of this virus.

Thank you.
